

INDOOR POST INSULATORS

EMC Pacific Aust manufacture world class indoor post / busbar insulators designed for 3.3kV to 36kv applications.

These are manufactured from outdoor grade (HH-CEP) Hydrophobic Resin System + Hydrophobic Filler to ensure longevity, strength and performance.

They are ideal for indoor applications that are commonly subjected to condensation or high humidity.

INDOOR POST INSULATORS

BBI 52 INDOOR POST INSULATORS UP TO 3.3KV

BBI 65/BBI 95 INDOOR POST INSULATORS FROM 3.6KV TO 7.2KV

BBI 130/BBI 145 INDOOR POST INSULATORS UP TO 12KV

BBI 175/BBI 210 INDOOR POST INSULATORS FROM 11KV TO 24KV
