

## OUTDOOR POST INSULATORS

EMC Pacific Aust manufacture world class (HH-CEP) Hydrophobic Resin System + Hydrophobic Filler Outdoor Post Insulators for 11kV to 72kV electrical distribution network applications. The range includes station post insulator, outdoor standoff insulator and rail post insulator options.

Popular with switchgear manufacturers and electrical utilities, they offer high thermal crack resistance, excellent strength and a 40 year plus design life.

Superior insulating properties, pollution ratings and proven reliability have made these products the long term choice for major electrical utilities and switchgear manufacturers.

## OUTDOOR POST INSULATORS

### STATION POST INSULATORS

**SPI 130-RB** ROUND BASE STATION POST INSULATOR UP TO 6.6KV

**SPI 200-RB/270-RB/305-RB/340-RB/410-RB** ROUND BASE STATION POST INSULATOR UP TO 36KV

**SPI 200-SB/270-SB/305-SB/340-SB/410-SB** SQUARE BASE STATION POST INSULATOR UP TO 36KV

**SPI 475-RB (LPI-1100-SP)** ROUND BASE STATION POST INSULATOR UP TO 36KV

**SPI 770-RB** ROUND BASE STATION POST INSULATOR UP TO 72KV

### OUTDOOR STANDOFF INSULATORS

**BBI 75-16-16** OUTDOOR STANDOFF INSULATOR UP TO 3.6KV

**BBI 100/175/225/300** ROUND BASE OUTDOOR STANDOFF INSULATOR UP TO 36KV

**BBI 305-SB/380-SB** SQUARE BASE OUTDOOR STANDOFF INSULATOR UP TO 36KV

**BBI 100-SQ-LUG** SQUARE LUG DROP-OUT STANDOFF INSULATOR UP TO 7.2KV

### RAIL POST INSULATORS

**BBI 70** RAIL POST INSULATORS UP TO 7.2KV

**BBI 156/12/152** RAIL POST INSULATOR SERIES 1 FOR 1500 V DC

**BBI 156-101** RAIL POST INSULATOR SERIES 2 FOR 1500 V DC
